Newsletter of the Texas Rifles

Volume 58 Celebrating 39 Years of Excellence September 2026

Captain's Post

We are now into our Fall campaign and will have a couple of reports elsewhere in the newsletter. We have our next large effort on November 11th for Veterans Day. Like previous years, we will fire a volley at the ceremony, and then there will be the parade.

You will read more about our Spring events in the rest of the newsletter. Coalition events for Antietam and Gettysburg look promising, and more about that is in the remainder of the newsletter.

One of the activities that requires attention is the location of our muster in January. Heritage Village has a new director, and does not look to be a viable

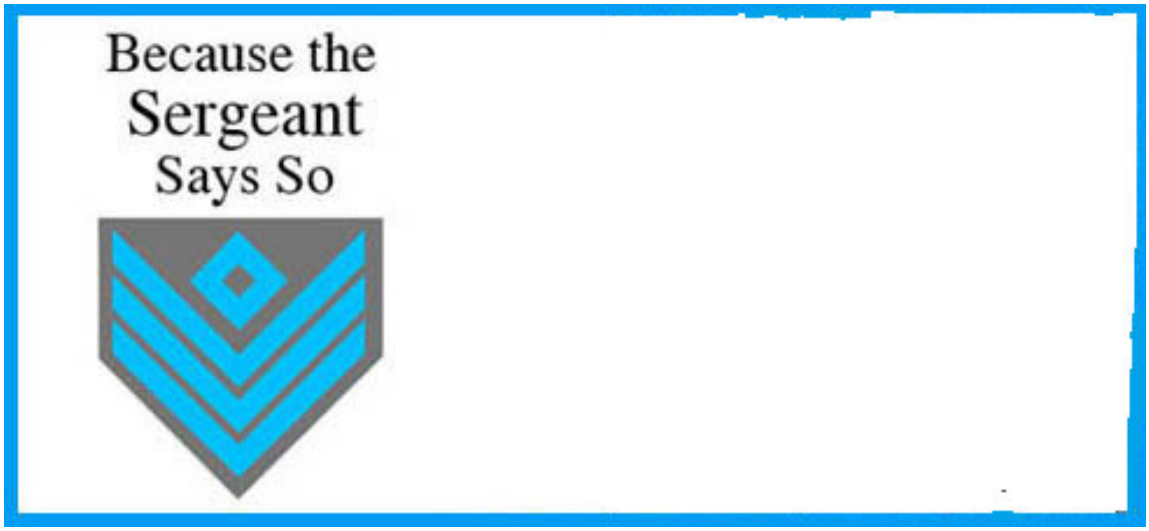

option at this time. Thus, we are one again in search of a location that will be suitable as a muster location.

See you in the field.

Veterans Day - November 11

We have participating for some years in Houston's Veterans Day ceremony and parade We should assemble at around 08:45 near the pool before City Hall. Email me at tommy_attaway@yahoo.com to get your parking pass for the City Hall Annex Parking as we get to park close to the main ceremony. We are combining efforts this year with the SUV. As usual, we have been asked to fire the rifle salute and the conclusion of the ceremony. The ceremony starts at 10 AM, and parade should start at 11 AM

Then we participate in the parade as the color guard of the 13th Infantry, which makes a 10 city block loop, and brings us back near the parking garage. We need eight men in order to parade the colors of the 13th Infantry. The SUV will be helping us out to fire the volley and parade. We are No. 14 in the parade, so we will be toward the front, and thus will be done early.

Uniform is 13th US Infantry parade order. (Sack coat or frock, musket and accoutrements)

We are done around noon, and then on our way back to our homes.

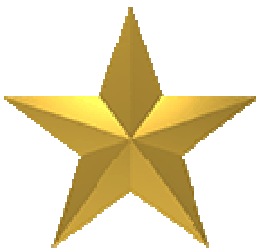

Prairie Grove, AR - December 5 / 6

We have participated in this event in the past, combined with Cal Kinzer's 24th MO. this time, some are attending as Confederate with other units of the Red River battalion. Currently, there seems to be sufficient interest for us to use the 12 passenger van to economize on travel. More about that as we get closer to the event date.

This battle was fought on December 7th, 1862. It was basically a tactical draw, but did secure NW Arkansas for the Union, as the Confederates retreated after the battle.

https://www.battlefields.org/visit/battlefields/prairie-grove-battlefield

As we will be at a state park, we will be on part of the actual battlefield, which is not always the case at events these days. The park staff is supportive of reenacting, and the park was used as a location shoot for part of the TV mini series, the Blue and the Gray back in the 1980s.

165th Anniversary of the Battle of Antietam

"A Furious Day"

Lee vs McClellan

September 17-19, 2027

"Into the Corn"

Jackson attacks Hooker in the Miller Cornfield

- **Gibbon's Iron Brigade**
- **Hood's Texans**
- **Meade's Pennsylvania Reserves**

"The Bloody Lane"

Sumners US 2nd Corps attacks D.H. Hill's Corps deployed in the sunken road

- Rhodes and Anderson's CS Brigades
- French and Richardson's US Brigades

"Burnside's Bridge"

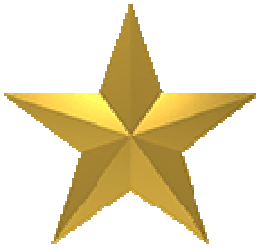

Burnsides's 9th Corps assaults 500 Georgians

- CS Brig. Gen. Toombs Brigade
- US Col. Crook's Ohio Brigade, Rodman's Division

The event location will be at the Zoar Historical Village https://historiczoarvillage.com/ in Ohio. Why have an Antietam event in Ohio you may ask. The village is sponsoring the event, is adjacent to a river, which will be the Antietam, has a bridge which will be Burnside's bridge, and will plant a cornfield in 19th Century style (modern cornfields are planted to enable mechanical harvesting). Also a sunken road is being created to replicate "Bloody Lane". Thus the partnership between the site and the coalition is a strong one and will allow for a worthy national event.

The event site should be up shortly, and registration will be $25 before January 1, and $35 thereafter.

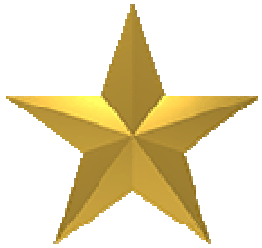

More details to some in subsequent newslatters.

Gettysburg, 2028

The coalition is working with the Daniel Lady Farm for the 165th Anniversary of Gettysburg. https://danielladyfarm.com/ This continues the partnership of the

coalition working with historical sites and the American Battlefield trust to conduct events.

Ft. McKavett September 4-5

Again we did the garrison the fort as when the post was put back in operation by the 35th Infantry. We have tentatively scheduled with the park to do this event in 2027 on the last weekend in February.

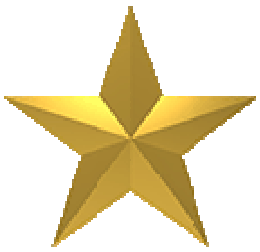

As we are manning the fort, this will be a family friendly event as family members are part of the life of the post.

Franklin October 3-4

We attended this event which was held next to an industrial park and because of weather, the Sunday activities were canceled. It was quite a roadtrip and we got to spend some time at sites along the way. I was disappointed in the event in terms of being almost a one mile walk from camp to do anything (battlefield, sutlers, etc.) but at least the parking was close.

For a national event, the turnout was small and so was the battlefield. The good news was being able to serve with friends and the seven who attended did get some experience in a fair sized company, rather than the 20 plus or minus, which seems to be typical.

Here is an old document from Colonial Williamsburg, which shows that they have used many of the same sources we have. Sadly, many of these sources are no longer active.

Let's try for a December 15th deadline for the next newsletter's articles so we can get one published for December 30th.

Please email me at joseph.a.alamia@gmail.com with any and all articles. I'd love to start a book review/recommendation section if someone would like to contribute (preferably Civil War or Texas Revolution related).
